## SEED BANK OFFERING

BCPM is currently working with eighteen church plants and plans to invest over \$5,000 into each project. To offset these expenses, the ministry has established the Seed Bank. The funds from the Seed Bank are used to print and distribute God's Word and gospel literature to every household in the communities where the church plants are located. These funds provide the necessary resources to help each church plant get off to a strong start and also cover the travel, lodging, and meals of BCPM staff, so as not to burden the new churches. If you would like to support the Seed Bank, please visit BCPM.org for more information and watch a short video. You can also donate online by clicking on "Donate" and choosing the "Seed Bank" option.

## PASSING OF A FAITHFUL SERVANT

On June 3, 2025, Mary Elizabeth "Beth" Jessup entered into the presence of the Lord after a long battle with dementia. She was known for her dedication to her husband, family, and to the Lord. Her steadfast commitment and faith was an encouragement to many who knew her. May her faithfulness inspire the next generation of servants.

BCPM is appreciative of the dedication Earl and Beth Jessup gave to the ministry. May the Lord bless many more years of helping churches reproduce churches!
