

October 2025

We are thankful for how the Lord worked in the last two church plants. Over 60,000 households were reached with portions of God's Word, tracts, and invitations. We are thankful for over thirty local churches who organized their members to travel in and help with the distribution and opening meetings.

In Riverside, CA, there were twenty-three visitors on the first Sunday. Several local churches also sent members over to assist and encourage the new work. The Lord continues to bless each week with guests from the area. Pray for Pastor Daniel Ward and Revival Baptist Church as they minister to the people of Riverside.

In Rostraver, PA, there were 130 in attendance on the first Sunday with ninety-five first-time guests. On the second Sunday, there were over eighty-five that returned. Pray for Pastor Sean Johnson and Valley Baptist Church as they advance the gospel in the Rostraver, PA, area.

Pray for the next church plant in Mentor, OH. The first Sunday for Heritage Baptist will be on October 28. The reproducing church is Heritage Baptist of Willoughby with Pastor Frank Suglio. I will inform you through email and social media as these church plants progress.

The Lord continues to open doors to preach Christ and His Word in needy areas. Thank you for investing in furthering the gospel through church planting. May the Lord bless you as you partner with BCPM!
