

Dear Brothers and Sisters in Christ,

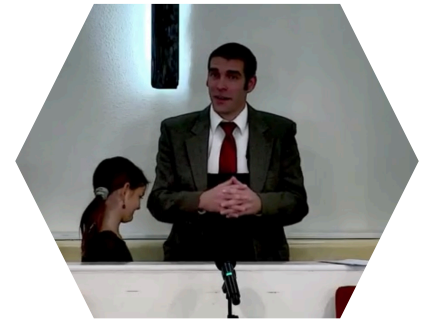

November 2025

Happy Thanksgiving! During this season of thankfulness, we rejoice in God's goodness! We have 12 visitors that have been coming faithfully, and we are rejoicing in what God is doing. One of these new people has been able to share the piano playing with Sarah, which has been a great blessing. For seven weeks straight, we also had at least one new visitor every week! Pray for the those who have come that are lost, that they will come to Christ for salvation. Also, pray for the ones that are saved to grow and be faithful.

I just finished my last trip for deputation this weekend. We settled here in August and I had a few more meetings that were already scheduled. We are around 70% supported now and I will be seeking a part time job to make up for the remaining 30%.

We had our first baptism last week since our arrival! A little girl was at home in her room and thought about the Sunday School lesson she had learned that week, and she stopped and asked Jesus to save her from her sins! Praise the Lord!

We got our new church tracts which have our church information on the front. On the back, we have the question "Are you **good** enough for heaven?" and a QR code that links directly to the Gospel page on our website. We had something similar at our fair outreach and had a good response. The church is excited about our new tracts and please pray with us that these seeds will fall on good ground.

Baptism
October 26, 2025

Sarah has been busy with the children's programs. She does Sunday School, Children's Church and our mid-week Super Scripture Sleuths program (like Master Clubs). For the mid-week, the children have an activity time and verse memorization, and then join the adults for the Bible study. We have also begun preparing for our Christmas program. Please pray for Sarah as she has a lot on her plate. Please also pray that we can get more laborers to help with the children's ministries.

Prayer Requests:

1. Opportunities to share the Gospel.
2. Church growth.
3. Christmas program (December 14th).
4. More laborers.

*"O Give Thanks
unto the LORD..."*

We hope that everyone has a wonderful Thanksgiving! We pray for all those who may be traveling, that the Lord would bless you with safe travels and a special time with loved ones! Thank you again for your faithful prayers and support! God bless!

All for Christ,

The Sinsies
