

Christmas 2025

Dear Friends and Supporters,

"Thanks be unto God for his unspeakable gift." 2 Corinthians 9:15

Thanksgiving is over and this year will soon be coming to an end. We are so thankful for His many blessings, too many to count or express. We thank each one of you who has supported us through prayer and financially. God has been so good to us!

This has been a good year for us, even though we have had some health issues. Tamala has done well since her heart procedure in September. She has some tests coming up in January, so please continue to pray for her health. T.J. has been doing well since having the flu in March. Although he still must get shots in both eyes for macular degeneration, he is able to read, drive, preach, travel, and do daily activities.

Great things are happening in Kenya. Hundreds have been saved in the public schools, and twenty-eight new churches have been planted in the first three quarters of this year.

We have recently visited churches locally and in West Virginia and Tennessee. T.J. will be in Kenya before Christmas, where a graduation ceremony will be held for about 45 students who have completed requirements for graduation. Calvary Baptist Church in Belgium, the church we started in the early 1980's, has contributed funds to purchase bicycles for the graduates, and one of our supporting churches, Ballard Baptist Church in West Virginia, has given money toward the purchase of new Bibles for the graduates. In addition to the graduation, there will be meetings for ladies, children, and one for the preachers, along with many opportunities to share the Gospel in other places. Please pray for safety, for souls to be saved, and Christians to be strengthened.

May each of you have a Blessed Christmas and New Year!

Sincerely,

Bro. T.J. & Tamala Tilley
