

A Letter From T.J. & Tamala Tilley TILLEY'S TRAVELS

"GO YE INTO ALL THE WORLD
AND PREACH THE GOSPEL..."

MARK 16:15

Summer 2025

Dear Friends & Supporters,

On my last trip to Kenya in March, three preachers and two laymen traveled with me where we had opportunities to teach and share the Gospel in numerous places. We taught in the Bible school, held a Bible conference, and preached in schools and village churches. Praise the Lord, many came to know the Lord as personal Saviour.

Upon my arrival home the evening of Thursday, March 20th, Tamala was in the hospital getting ready to have hernia repair emergency surgery. She was in the hospital for a week, and then after being home for almost a month, she had to have a second surgery due to complications. That hospitalization was for five days. She continues to improve but is still under a doctor's care.

Thinking I was just very tired from my trip, I rested the day after my arrival home, but soon realized it was something more than just tiredness. Our son and his wife took me to the emergency room where I tested positive for the flu. The doctors sent me home with medicines and to rest for the next week, during which time the good folks at Rescue Baptist Church graciously provided me with food. Unfortunately, I was not able to see Tamala until she came home a week later, on the next Friday.

We will be privileged to have a group from a local church travel with me to Kenya in mid-July and will again have many occasions to give the Gospel. Only the Lord knows the impact we can have on lives, but we are grateful to be His servant and allow Him to use us to reach people.

Without your financial assistance and prayers, it would be impossible to continue doing the work God has called us to do. We are so grateful to each of you and thank you for standing with us. Please continue to pray for us.

Sincerely,

Bro. T.J. & Tamala Tilley
