

West Coast Baptist College

Training Laborers for His Harvest

October 6, 2025

Dear Brother Broyhill,

Greetings from West Coast Baptist College! I trust this letter finds you enjoying a blessed start to your fall season of ministry.

We praise the Lord for the way He has been working here on our campus in the first few weeks of our fall semester. Recently in chapel, I preached about Christ's compassion from Matthew 9:35-38. God worked mightily through His Word, and it was a joy to see over two dozen students surrender to His call upon their life.

The Lord also greatly blessed and worked through our annual Spiritual Leadership Conference this past week, and it was an encouragement to see our students gleaned from the services and sessions.

As we look ahead to the remainder of the fall, I am excited about our World Impact Missions Conference on November 2nd, 5th, and 9th. Each year, I look forward to welcoming WCBC alumni missionaries back to our campus and hearing how the Lord is using them as they faithfully serve Him across the globe.

We are also praying and preparing for our *West Coast Up Close* College Days, November 12-14. If you know of any young people who are interested in Bible college, this is a great opportunity for them to hear tremendous preaching, participate in college classes, and experience the heart and mission of West Coast. For more information, please reach out to me or our staff, or visit collegedays.wcbc.edu.

Thank you again for your prayerful and financial support of all that God is doing here. Please let me know if there is ever anything I can do for you, or a special prayer request I can pray with you about.

Have a great day!

Your friend,

Dr. Paul Chappell
President
