

September 30, 2025

Dear Praying Friends,

Hello from Colfax, WA! We have had our RV parked at our church here since July 21st. We have had two very busy months of ministry, and we praise the Lord for every opportunity to serve!

We helped with our church's annual Vacation Bible School from August 4th-8th. They had a great turnout with many children from the community. In Luke 18:16, Jesus said, "Suffer little children to come unto me, and forbid them not." VBS is a great way to draw children to Jesus!

On August 10th, we visited missionary church planter Raleigh Hill in Blanchard, Idaho. He and his family started Freedom Baptist Church in 2021 and the church is doing well! They recently opened a preschool for the community in a new modular. We were also able to attend their revival the following week with Bro. R. B. Ouellette.

On August 12th—13th, we helped canvas Ponderay and Sandpoint, Idaho with door hangers for the grand opening of Lighthouse Baptist Church. Bro. Caleb Ballew and his family have started this new work in Ponderay. We were also able to be with them for their Grand Opening on August 17th. They have seen some steady visitors from their outreach efforts and we praise the Lord for this new work!

On August 24th, we were able to be with Bro. Danny Vaughn and his family at the church they started, Clearwater Independent Baptist Church, in Orofino, Idaho. The Vaughns have labored faithfully for many years within the Nez Perce Indian Reservation along the Clearwater River. It was a blessing to get to be in service with them, meet their church people, and have a time of fellowship! I was also able to go with Bro. Vaughn on September 27th to the local prison, where he ministers once a month. We were both able to preach and witness to the inmates. Pray for fruit from this ministry!

Right after the trip to Orofino, our car's clutch assembly went out. Car repairs are never convenient, but the Lord truly worked this out at the best time possible! We were able to borrow a car from a member of our church while ours was being repaired. It was also during the only break of our schedule, so we did not have to miss any meetings! Praise the Lord a church in NC gave us a love offering before we left that met this need! Praise God!

On September 4th-7th, our church had a fair booth at our annual county fair. We were able to help pass out hundreds of tracts and invitations to their upcoming fall festival. We praise the Lord for the contacts made during the fair and for the gospel was given out!

On Sunday, September 7th, I was able to preach at the 20th anniversary service of the church we started, Macedonia Baptist Church, here in Colfax, WA. We showed a video of pictures through the years using the song, "Look What God Has Done!" In Matthew 16:18, Jesus says, "I will build my church;" and the Lord has built His church in Colfax, WA. It is the Lord's Work and the Lord's People, and we give Him the Honor, Glory, and Praise!

On September 14th, we were able to fill in for Bro. Ballew in Ponderay, Idaho, as he was out of town at a missions conference. We're glad to be able to fill in for our missionaries! This is one of the many things we want to do to help our missionaries!

On September 20th, we were able to help Silver Valley Independent Baptist Church in Kellogg, Idaho with passing out invitations during their town's car show! Bro. Ray Godfrey and his family started this church in January of 2024 and are meeting in a storefront right on the main street through town! It was a great opportunity to share the gospel with people lined up on the street in front of the church! I was able to preach for them on September 21st. It was a blessing to get to fellowship and meet their church family!

Please keep us in prayer during the month of October! We will be traveling to visit 8 different missionary works in 7 different states! Please pray for us to be a blessing to the missionaries and for safety on the roads as we travel! Thank you so much for your faithful prayers and support!

In Christ,

Tim, Jennifer, Jason, & Layla Wall
