

Christian Way Missions Report

May 8, 2025

Dear beloved Friends:

A Life of Faithfulness: Honoring Dr. Eddie Wang: As we step into 2025, we celebrate the faithfulness of God in

the life of His servant, **Dr. Eddie Wang**, who is **89 years old**, alongside his devoted wife, **Nancy**,

who is 82. For **33 years**, Eddie has tirelessly served China's persecuted church, standing firm despite unimaginable trials.

His journey began in his youth when he was baptized by Pastor **Wang Mingdao**, shortly before the pastor's imprisonment. At just **19 years old**, Eddie was arrested for his faith and endured **nine years** in a labor camp. Three days after his wedding, he was taken again, leaving Nancy to face years of separation, yet she remained steadfast in Christ. Surviving near-death experiences, Eddie pursued **seminary training** instead of a doctoral degree, dedicating his life to **training underground pastors**. His **2T pastoral training program** has equipped thousands, impacting **over 1.8 million believers**.

Now, as he retires, his legacy continues. Churches and believers who have supported Eddie's ministry can help **Christian Way Missions** ensure the underground church remains strong. Though Eddie steps back, the **mission remains**—to stand faithfully until the end. May God stir our hearts to continue His work.

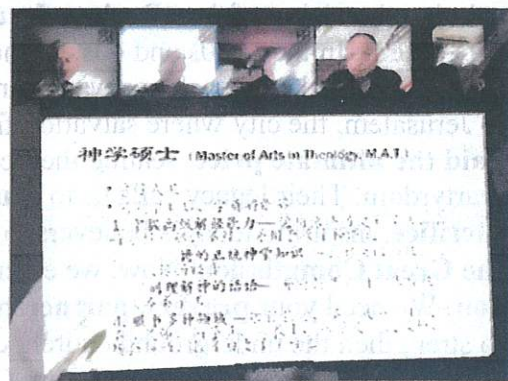

2T's Training (Master of Theology): Advancing the Gospel Through Theological Training: A Call to Stand with China's Persecuted Church:

A remarkable chapter in mission history is unfolding before us. On **Monday, March 31, 2025**,

EUCON International University's Chinese Master of

Arts in Theology (MAT) officially begins, marking the next stage in a decades-long journey to equip and strengthen pastors serving in China's **underground church**. Under the guidance of **Dr. Philip Hu**, this program is training **nine pastors and preachers**, each committed to shepherding their persecuted congregations with biblical truth.

This theological training did not appear overnight—it is the fruit of **years of prayer, perseverance, and God's providence**. The foundation was laid **twenty years ago** when **Dr. Christian Wei** and **Dr. Craig Hartman** envisioned equipping pastors with a **Jewish perspective on Scripture**. Their efforts led to the **Jerusalem 2T's Training**, which, after immense trials and preparation, brought **twelve house church pastors to Israel in January 2025**. These men—humbled, in awe—**wept upon arriving in the Holy Land**, realizing they had stepped onto the very ground where **Jesus walked**.

The training, titled **"From Genesis to Messiah,"** provides a profound understanding of the Jewish roots of Christianity. **Dr. Wei, Dr. Hartman, and Grant Hartman** meticulously designed the curriculum, covering Jewish history, biblical geography, Messianic prophecy, and the role of Israel in God's redemptive plan. Now, these pastors, strengthened by their time in Israel, are **continuing their Master of Theology coursework**, building upon the foundation they received in Jerusalem. But **the work is far from over**. Beyond theological education, **God is opening doors**—not only

in China but also in Israel. With over **50,000 Chinese laborers working in Israel**, a local church is being prayerfully established to reach them. Young pastors and families are being sought to **minister to the Chinese workforce while sharing the Gospel with Jews and**

Arabs. This mission is **deeply rooted in history**, echoing the vision of the **"Back to Jerusalem" movement**. In the 1930s and 40s, Chinese Christians boldly carried the Gospel westward, longing to return it to Jerusalem, the city where salvation first began. Many **paid the ultimate price**, sealing their commitment with martyrdom. Their legacy calls us to **courage and sacrifice**, inspiring today's believers to **rise and fulfill the Great Commission**. Now, we extend this call to **you**. We need your **prayers, partnership, and support** to strengthen the underground church, equip persecuted pastors, and advance the Gospel from China **back to Jerusalem**. Will you stand with us? Will you **invest in this eternal mission**? Together, let us ensure the **suffering church does not stand alone**.

A Vision for Generational Gospel Ministry: Building a Legacy of Faithful Servants: The establishment of the Master of Arts in Theology (MAT) program at EUCON represents

a critical step forward in equipping faithful men who are devoted to advancing the Gospel in persecuted regions, especially within China's underground church. As we train the courageous **2T brothers**, these pastors will return to their homeland with the mission to establish **Bible colleges**—centers of theological training where future generations of preachers and pastors will be nurtured and empowered for ministry. This vision is rooted in the biblical principle outlined in **2 Timothy 2:1-2**: *"You then, my son, be strong in the grace that is in Christ Jesus. And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others."*

Just as the Apostle **Paul trained Timothy**, urging him to teach faithful men who would disciple others, we see this model unfolding among the 2T brothers. They are being equipped not only to serve as shepherds but also to become **teachers of teachers**, multiplying the Gospel's reach across generations. In the face of persecution, these men courageously uphold Christ's call to build His church, ensuring that the light of the Gospel continues to shine despite immense opposition.

Their task is monumental. Amid relentless challenges, they aim to train **faithful servants of the Lord** who will, in turn, disciple others. This chain of Gospel multiplication allows the message of salvation to transcend barriers, **impacting lives one generation at a time**. Especially in a country where faith is continually suppressed, such efforts are nothing short of miraculous.

Beloved friends, we cannot carry out this mission alone. The underground church is under constant pressure, and the need for equipped leaders is urgent. **Your prayers and partnership** are vital in sustaining these efforts. Join us in asking the Lord to grant courage, wisdom, and perseverance to the 2T brothers as they embark on this holy calling.

We also invite you to stand with us as we establish Bible colleges in China. By training pastors and preachers in biblical truth, these institutions will ensure that the Gospel legacy continues to flourish despite persecution. Let us follow the example of Paul, Timothy, and countless faithful servants who answered the Great Commission with boldness and sacrifice.

Together, we can empower these courageous men and see God's Kingdom advance. Pray fervently, give generously, and spread the word. Let us labor side by side in this divine mission, knowing that **our faithfulness will reap an eternal harvest**. May God use each of us for His glory! To Him be the praise forevermore!
