**Joshua 1:9** *Have not I Commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee Whithersoever thou goest.*

**Dear. Pastor and Church Family,**  
***Thank you for your partnership in prayer and support.***

We thank the Lord for 63 people who have been saved and for 19 people who have followed the Lord in baptism. I also thank the Lord for the opportunity to train four new Sunday school teachers. They have already started helping with the children in the village where we had been praying for more Sunday school teachers, and the Lord has answered our prayers. Thank you for praying with us. They have been a great blessing

to our children's ministry, as we have many children in the villages.

One of the ladies in our village church, whose name is Noumsa, has been with us for a while. We thank the Lord that she professed her faith two months ago. She has also been baptized and has joined my discipleship class. We have seen that she has changed a lot since she followed Christ, and we can see that she is enjoying her Christian life with the Lord. She has been faithful in attending church and participating in my discipleship class.

I am currently discipling five ladies in different classes, and I will soon have two more ladies joining other classes. Please pray for them to remain faithful and to continue growing in the knowledge of God. Their desire to learn and grow is very encouraging to me. We also invited a group of ladies to attend one of our churches in town. They all came, and we thank the Lord that Eight of them were saved.

I heard a wonderful testimony from one of our new Sunday school teachers. She shared with me that she is thankful for learning the Word of God from us and through my discipleship classes. She has seen how the Lord is working in her life in a special way and how He is directing her in many areas. She said,

she is very thankful for the time spent teaching her the Word of God. After listening to her, I almost cried, but I tried to hold it in. I looked up and said to the Lord, "Thank You, Jesus!"

We also have a teenage girl who was abused in the neighborhood. We were heartbroken, but we know the Lord has allowed this for a purpose we cannot fully understand. I thank the Lord for the experience I gained while working in ministry in Cambodia, which has helped me support and minister to women who face similar situations. I have been able to apply this experience to our ministry here in South Africa.

The girl is doing better. I have been counseling her mother to help her know how to care for her daughter, and I am also working closely with the girl and continuing to counsel her. We all care deeply for them and are doing our best to support both the girl and her mother. We thank the Lord that we can see improvement in the girl since what happened.

Please urge others to pray with us for our New Hope Center. Pray for all the needs so that the building can be finished. This will provide a safe place for our children, especially victims, where they can stay, be taught, and be trained in the Word of God. They will be the next generation to serve the Lord and continue His work.

## **-Prayer Requests:**

1. Please pray for me to have God's wisdom, direction, protection, and good health.
2. Please pray for more churches to partner with us.
3. Please pray for peace between Cambodia and Thailand

***Thank you for all your prayers and your sacrifice in giving to the ministry in South Africa. You are a blessing. I am praying that God continues to bless you, your family, and your ministry.***
