CRAFTED IN SOMERSET SINCE 1833  
Cheddar that is powerfully intense and complex with an exceptional depth of flavour. The slightly brittle and sometimes crunchy texture is a natural result of its long and slow ageing.

## Nodsan® EAS

Nodsan® EAS makes it possible to combine cleaning and disinfection in CIP applications into one step, saving time, water and energy in industrial cleaning.

This new Ecolab development is an effective, non-oxidising CIP disinfectant, that can be used alone or in combination with alkaline or acid detergents, giving new flexibility in dairy hygiene.

## Sustainability Progress

Year after year, we drive progress for our customers that lift up the environment and communities around the world to create lasting change.

Here's how our partnership helped empower our customers this year:

206B gallons of water conserved

3.5M metric tonnes of greenhouse gas emissions avoided

1.3B people safely fed

66B hands cleaned, helping reduce 1.8M infections

## A taste for cheese production

The cheese making process is as varied and complex as the cheese varieties themselves. This highly skilled sector of the food industry requires an equally skilled and knowledgeable supplier of technologies to ensure the integrity of the product remains consistent and of the highest quality.

GEA has been providing complete end-to-end production lines to the cheese manufacturing industry for decades, drawing on global expertise and practices to bring together the very best in automated cheese production techniques.

Our knowledge and experience spans the range of cheese varieties, from soft, fresh cheeses to semi-hard and hard cheeses. Talk with a GEA representative to discuss how we can transform your cheese production to give you the best quality product from a highly efficient and cost-effective operation. 8	CONO Kaasmakers/ BEEMSTER KAAS	CONO Kaasmakers	Beemster X-O- This cheese is revered by cheese connoisseurs for its rich flavours of butterscotch, whiskey and pecan. The XO® has been aging naturally in historic warehouses and due to the unique milk and craftsmanship, it stays creamy while developing flavour. As the longest aged Beemster cheese, there are normally tyrosine crystals (amino acids) in the cheese itself that result in "crunchies" that consumers often look for when purchasing an aged product.	Netherlands
9	CONO Kaasmakers/ BEEMSTER KAAS	CONO Kaasmakers	Beemster ClassicBeemsterClassic is regarded as the signature Dutch cheese throughout the Netherlands, with its deep flavours developed through natural aging in historic cheese warehouses. As an aged cheese, tyrosine crystals (amino acids) can be tasted subtly. It is a sign of excellence to have these evenly distributed throughout the body of the cheese.	Netherlands

# Deep Underground in Wales...

...DRAGON WELSH SLATE CAVERN AGED CHEDDAR HAS BEEN MATURING IN PARTNERSHIP WITH LLANFAIR SLATE CAVERNS, ADDING A REAL DEPTH OF FLAVOUR TO OUR WELSH CHEESE.

Made to a bespoke recipe at our creamery on the Llyn Peninsula, it is then transported to Llanfair Slate Caverns near Harlech and left to age deep underground.

This traditional ageing process takes place in the original mining caverns, which have been converted into cheese caves. The process adds unique characteristics to the taste and texture of our award-winning cheddar.

Made using only Welsh milk from our farmer cooperative members, our Welsh Cavern Cheddar has true provenance and its story is steeped in Welsh history.

11	Aldi	Aldi	Specially Selected Vintage Cheddar. "Matured for 25 months this premium Cheddar has a rich, complex range of evident sweet and savoury flavours, intense without being overpowering with a lovely creamy aftertaste to gently soften this wonderful cheese. The award winning creamery is proud of its Cornish heritage and supports local farmers –the milk used to produce their Cheddar is supplied by farms in Devon and Cornwall which brings a unique taste to the cheese. It has taken 60 years of dedication	United Kingdom
12	Aldi	Aldi	Specially Selected Scottish Vintage Cheddar. A red tractor approved, Creamy Vintage cheddar matured for a minimum of 18 months in Wigtownshire to achieve a crumbly finish and rich depth of flavour. This cheddar delivers a sharp sweet flavour and is best enjoyed on its own or with oatcakes.	Portugal
