Greetings to the Parishioners & Friends of St. Joseph

Parish Community,

As we approach the spring and summer seasons, we know from experience that with religious education classes completed and vacations being planned, that our church attendance and our offertory income goes way below the weekly goal of \$3,500.

One way we found to compensate for the shortfall was the institution of "Sponsor a Day" by which you could offer \$150 to cover most of the expenses of the parish operation for one day. The parishioner's response has been wonderful and acknowledged in weekly bulletins. With much facility related maintenance deferred over the years, we have decided to renew the "Sponsor a Day" program and ask for your support.

Yours in Christ,
