

Celebrating & Discerning Together

SCOTTISH LAITY NETWORK GATHERING

Join us as the **Scottish Laity Network** enters a new chapter.

This gathering is a special opportunity to celebrate and give thanks for the fruits of our shared journey, and to discern together what comes next. We invite you into a space of prayer, listening, reflection, and open sharing.

together for
a hope-filled
tomorrow*

Morning: Celebrating

- Celebrating the life, journey, and fruits of the SLN.
- Reflecting on recorded messages from valued companions and friends.

Afternoon: Discerning Together

- Small group discussions (both in person and online) using the Conversation in the Spirit model.
- Together, we will explore: *Is there a future for SLN? If so, what might that future look like?*

Questions for Reflection

Before the gathering, we invite you to reflect on:

- What brings you to SLN?
- Considering there are now only 3 Core Group members, how can we maintain and sustain our life-giving connections?
- How can the core group support member-led proposals and initiatives?

Initial ideas include regular online small groups (discussing topics like Magistera Humanitas, the Synodal Final Document, or Sunday Gospels), regular bringing together of the smallgroups, and Advent sessions to shape our goals for 2027.

Please bring your own ideas and suggestions to the conversation!
