JOHN 15:8

North/Northwest Alabama FCA - nwalfca.org - @NWFCA - 256.765.0313 - SUMMER 2026

MULTI-AREA DIRECTOR

Hello Home Team,

This summer has been filled with so many wonderful God moments! We have been over-

whelmed by the response to the Gospel through our multiple camps, 7-on-7 tournaments, and other ministry activities. Around 2,700 coaches and athletes participated in our summer events.

Our camp theme, "Proven," came from John 15:8: "My Father is glorified by this: that you produce much fruit and prove to be My disciples." I truly believe God has been glorified through these events, and I am so grateful for our staff and the many volunteers who made them possible. We simply could not do what we do without faithful Ministry Partners like you. Thank

you for investing in this ministry and faithfully praying for us!

One of my personal highlights this summer was the FCA David Mote 7-on-7. We were honored to name this event after our late colleague and dear friend as we continue the vision God gave him for this ministry event. Our speaker, Braden Forscutt, a UNA football player, boldly shared the Word, and God moved in a powerful way through the Holy Spirit.

We witnessed a couple hundred coaches and athletes respond to the invitation to place their faith in Christ that day. It was incredible to see God at work, and that was just

one of many ways He moved throughout the summer.

As we begin a new school year, we are excited to return to campuses and continue building relationships with our students, coaches, and educators. We are especially looking forward to Fields of Faith events, the Iron Bowl Prayer Breakfast and the many other ministry opportunities God has already placed before us.

Please continue praying for us as we seek to honor and glorify the Lord through the ministry of FCA across North and Northwest Alabama. Thank you for being such an important part of Team FCA. Your prayers, encouragement, and your financial support make this ministry possible, and we are grateful for each of you. THANK YOU for being a part of TEAM FCA!

Serving Him,

This summer has been so full of God's goodness and grace as He made the way for us to host not just our Power Camp for

completed K - 6th graders, but also two FCA UNA Team Volleyball Camps for middle and high school teams.

These Camps only happen because of our relationship with our Coaches and Campuses that we invest in all year long AND because of the fellowship and partnership we share with you, our ministry partners.

Our shared fellowship in Christ is the driving force behind all we are able to do. The uniting work of the Holy Spirit leads us in this ministry of the Gospel as we go out in our communities proclaiming the name of Jesus for the glory of the Father.

Please never doubt how grateful we are that you have chosen to be a part of our Home Team. We thank God for you and your willingness to

give and pray so that we can go. As Scott shared, thousands were ministered to this summer alone and hundreds surrendered their life to Christ. Over this past school year through our campus ministry and summer events, the Lord has called at least 886 souls to Himself through our area FCA!

Serving Christ and you,

AMBASSADOR

I am currently a graduate student at the University of North Alabama, where I play on the women's soccer

team. I graduated from Florence High School in 2022 before attending the University of Louisiana Monroe, where I earned my degree in Risk Management and Insurance while continuing my soccer career.

I became a part of FCA my freshman year of college, and that was when the Lord used both that ministry and my sport to show me what a true relationship with Jesus Christ looks like. Fast forward five years, after walking with the Lord and volunteering with things like FCA camps and serving on the

leadership team at ULM, the Lord has led me back to my hometown to finish my soccer career and step into the calling of FCA staff that He placed on my life. The Lord used FCA to reach me, and now He has given me a heart for athletes and coaches.

Being an athlete all my life, it was so easy for my identity to be tied to my performance on the field or stats on a piece of paper. But when I came to know Jesus, I found freedom in knowing that my identity

had nothing to do with what I earn or achieve, but instead is found in the death and resurrection of Jesus Christ, who paid the price for my sin and gave me new life in Him. Now my calling is to share that same identity, truth, and freedom that is found in Jesus Christ with athletes, coaches, and everyone the Lord places in my path.

In Christ,

“Imitate me, as I also imitate Christ”
1 Corinthians 11:1

God continues to open doors at the University of North Alabama in ways

only He could orchestrate. Over the past several months, I’ve had the opportunity to build relationships with coaches and student-athletes through FCA, spending time together, encouraging them in their faith, and simply doing life alongside them.

“One of the greatest joys has been seeing these relationships grow beyond campus, as many of these student-athletes have become part of

our church family and are doing life with ours.”

This fall also marks the launch of the FCA UNA Apprenticeship Program. We intentionally chose the word apprenticeship because our desire is more than providing ministry experience—we want to help students learn to follow Jesus by walking alongside mature believers, just as Jesus did with His disciples. Our prayer is that these young leaders

will grow as disciple-makers who impact their team-mates, campus, and future communities for Christ.

Thank you for praying as God continues to open doors at UNA. We are believing He will raise up a generation of students who know Jesus, love others, and faithfully make disciples.

AREA REPRESENTATIVE

One of the greatest blessings of our Power Sports Camp is our incredible group of Huddle Leaders. These high school and college students are truly the

heartbeat of camp, faithfully serving, leading, and empowering the next generation to Jesus Christ.

We had 48 Huddle Leaders answer the call to serve. Some returned after serving in previous years, while others stepped into the role for the very first time. No matter their experience, each one came with a willing heart and a desire to make a difference.

I had the privilege of serving as the Huddle Leader Coordinator alongside our Summer Intern, Bri Tyson, who served as the Huddle Leader Coordinator Assistant. Together, we

had the privilege of watching these leaders grow in confidence, leadership, and their own walk with Christ.

Our Huddle Leaders arrived ready to serve with joy. They embraced every opportunity to be the hands and feet of Jesus, demonstrating humility, integrity, and Christ-like leadership in every interaction. One of the most encouraging aspects of this year’s camp was watching our Huddle Leaders embrace change with Christ-like attitudes.

While some aspects of camp looked different from previous years, they

willingly adapted, remained flexible, and focused on what mattered most—serving campers and sharing the love of Jesus.

I am incredibly grateful for each Huddle Leader and the lasting impact they are making. Thank you for answering the call to serve, for investing in the lives of our campers, and for setting an example of Christ-centered leadership.

All Glory to God,
Aimee Breland
