

International collaboration in the service of excellence

Generated by AI, March 22, 2026

The European Academy of Certified Trainers ([EACT](#)) and the International Group for Training & Advancement ([IGTA](#)) are combining their expertise to promote high standards in training, professional development, and talent development.

This strategic collaboration aims to:

- ✓ Enhance the quality of training programs
- ✓ Encourage the sharing of best practices internationally
- ✓ Support learning innovation
- ✓ Build key capabilities to meet tomorrow's challenges

Together, EACT and IGTA are committed to creating lasting impact by placing people, skills, and excellence at the heart of everything they do.

🚀 A shared vision: training today's leaders for tomorrow.
