
SOUTHWESTERN OHIO DISTRICT

CHURCH OF THE NAZARENE

District Grant Application

The District Grant is for NEW ministry. This should be differentiated from maintenance, funding ongoing ministries, or paying normal bills and obligations. Often churches have ideas to expand ministry or begin something new. Unfortunately, lack of resources keeps that from happening. That is why this grant has been established. The grant submissions will be evaluated by a group designated by the District Superintendent and District Advisory Board.

The Grants will be evaluated based on the following criteria:

- Description of the ministry. Specifically, how is the ministry new, how does it affect the local congregation, how does it affect the community around your church.
- Affirmation of pastor and Congregational leaders.
- Development of strategy to implement the new ministry and plans of evaluation.
- Availability of funds in relation to requests from churches across the Southwestern Ohio District
- Limit of grant...up to \$5,000 per church (Award \$1,000 to \$5,000)

Please fill out the application completely. You may answer the questions with a separate document if there is not sufficient space in the application.

CHURCH: _____ **PASTOR NAME:** _____
