Dear Linda:

I'd like to take this time to express my appreciation for the work that you have done to help older New Yorkers last year. We are truly fortunate to have you as a volunteer, helping our programs to succeed and working with our clients in countless ways that make a positive difference in their lives.

I am pleased to share with you that your service contributed to almost 1 million service hours provided to older New Yorkers in 2016. Your generosity of time and effort deserves recognition not only during Volunteer Appreciation Month, but all year round. Your commitment to using your skills and talents in generous service to older New Yorkers is valued and appreciated.

On behalf of the many DFTA programs and service providers, please accept the enclosed gift and our thanks for your help and the impact that you have made on the lives of older New Yorkers.

Sincerely,

A handwritten signature in black ink, appearing to read "Donna M. Corrado".
