LET THE BROTHERHOOD OF ST. ANDREW PARTNER WITH YOU IN TRANSFORMING YOUR MINISTRY WITH MEN.

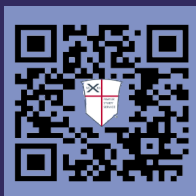

Study after study tells us what we already know. Men are lonelier and more isolated than ever. And they are increasingly absent from church.

Let us partner with you to help turn that around.

We're—

- Christ-centered
- Spiritually focused
- Dedicated to active mission
- Growing and thriving
- Devoted to providing all men with a safe space to connect, grow in their faith, and expand in their service to others

An active Brotherhood of St. Andrew Chapter can transform your church. Let's talk about it.
