BOTH GROUPS:
5/14/25 - MAY CROWNING

5/19/27-FAMILY END OF
THE YEAR PARTY, 6 PM

Attendance—Regular and prompt attendance at every class is expected of all students. If a student misses a class, please request the missed chapter materials, complete the work at home and return material as requested by catechist. **Excessive absences could prevent student from receiving credit for completing the grade level. This could also affect student's eligibility to participate in Sacramental Preparation Programs.** Excessive absences would be missing **5 class hours or more in any given year** or more than **2 class hours in a sacramental year.** This is exclusive of immediate preparation classes for sacraments.

We use the Diocese approved **Circle of Grace Personal Safety Program** to help keep our children safe. This includes at least one class for all grades which will be offered during a regular class session in **October**. One make-up session will be offered in **February**. It is also expected that parents will bring their children to Mass each weekend.
