

RE: Swithens Farm

4th June 2025

Dear Parent(s)*,

Get ready for some farmyard fun! We're excited to announce a school trip to Swithens Farm on Friday 13th June for Reception. This trip promises a wonderful opportunity for the children to learn all about farm animals and their young in a really engaging way.

During our visit, the children will:

- **Discover farm animals and their young:** They'll learn interesting facts about different farm animals and how they care for their babies.
- **Explore animal care:** We'll be finding out what it takes to look after the animals on the farm.
- **Enjoy lamb feeding:** This will be a highlight of the day, giving the children a chance to get close to and feed the lambs!

We will be travelling to Swithens Farm by coach, setting off from school at 9:30 am. We will return to school before the end of the school day.

A school-packed lunch will be provided for all children.

Please ensure your child wears their school uniform on the day. However, it's important they also wear appropriate footwear for exploring a farm, such as trainers. Depending on the weather forecast closer to the trip, please also send them with a suitable coat and/or sun cream and a hat.

We're really looking forward to this educational and exciting trip for the children.

If you have any questions, please don't hesitate to contact us.

Thank you for your support.

Sincerely,

Mrs Griffiths
Class Teacher

* The term 'parent' includes any person or body with parental responsibility such as a foster parent, carer, guardian or local authority.
