

24th September 2025

Dear parent/carers

Re: ATP Trip costs for the 2025/26 academic year

At Alder Tree Primary our aim is to provide an education to enable each child to develop a sense of Belonging in the world by encouraging them to Believe in themselves and Become more than they thought was possible. Through these three attributes we will drive high expectations which will lead to high performance.

Trips out of school are incredibly beneficial and we want to provide enriching opportunities to all our children. Purposeful trips inspire and motivate children so that they have a thirst for learning whilst also contributing to character development, independence, and mental health. Through these experiences, we believe we are preparing our children for the wider world.

Please see the table which details the trips that your child will go on throughout the year:

Sign-up and consent are required via the Arbor App to confirm that your child will be

Year 6	Lake District Residential (£70), Armley Mills Victorian Workshop (£15) Eden Camp (£15)
Total	£100.00

attending the trips.

Please note, you can now pay the above £100.00 in full or in instalments throughout the year, until July 2026, on Arbor against each individual trip. We are very aware of the cost-of-living crisis and want to work with you to ensure payment is manageable for you and your family throughout the year. Any questions or concerns around this please pop in to see me or your child's class teacher.

Thank you in advance for supporting your child's journey of achievement through Alder Tree Primary.

Yours faithfully

Mrs Kate Burton
Principal

* The term 'parent' includes any person or body with parental responsibility such as a foster parent, carer, guardian or local authority.
