RE: Launch of A Journey Through Our School Activities

10th September 2025

Dear Parent(s)*,

At our school, we are committed to offering enriching experiences that go beyond the classroom. Every child's learning journey is shaped not only by academic lessons but also by the wide range of opportunities they encounter throughout the school year.

We want every child to Believe, Belong and Become, which is what makes Alder Tree Primary a unique place to belong to.

We are excited to announce the launch of Alder Tree's Activity Journey, a new initiative designed to celebrate and share the many ways our pupils grow, learn, and flourish.

At the beginning of their school journey, our youngest pupils are introduced to activities that encourage curiosity, communication, and social interaction. In KS1, pupils deepen their understanding of the world through exploration and creative expression. In KS2, pupils take on more responsibility and leadership roles as they explore activities that expand their knowledge and skills. These may include performances, sporting events, outdoor learning, enterprise projects, or representing the school in the wider community.

Our aim is to give your children a nurturing curiosity, confidence, and a love of learning. We believe that these activities enrich their school life, help them develop new skills, and encourage them to explore their talents.

BELIEVE - BELONG - BECOME

This will be launched in school on Friday 12th September. Your child will receive an activities journal that will be stamped every time they enjoy one of the experiences. This booklet will last them their full school journey until year 6. At this point they can bring it home with them as a record of all they have achieved on their journey through Alder Tree Primary.

Please read more about this on the school website:

Thank you, as always, for your continued support in helping us provide the very best for our pupils.

Kind regards,
Mrs Burton
Principal
