

RE: National Grandparents Day

8th October 2025

Dear Parent(s)*,

"A grandparent's love is strong and deep, filled with memories to cherish and keep."

National Grandparents' Day is a wonderful opportunity to recognise the invaluable role that grandparents (and other special older relatives or 'grandfriends') play in the lives of our children.

From sharing family history and teaching new skills to offering unconditional love and support, our older generation provides a vital link between the past and the present

To celebrate this wonderful occasion, we warmly invite you to our special intergenerational DEAR morning on **Tuesday** between **8.50 and 9.30**. We would love for you to share stories with your grandchild and their classmates. Your presence will help to bridge the generation gap and provide an enriching experience for all our pupils.

No experience necessary, just a love of reading and a favourite story that you like to share with your family.

If you would be interested in sharing a story with our children please will you fill in the slip below and return it to class teachers so we know numbers for the event.

Thank you to everyone in advance, we look forward to you helping us and listening to your amazing stories.

Yours sincerely,
Mr Foreman
Class Teacher

* The term 'parent' includes any person or body with parental responsibility such as a foster parent, carer, guardian or local authority.
