

RE: SATs

8th May 2025

Dear Parent(s)*

We hope this message finds you well.

As we head into an important time of the school year, we'd like to remind you that **Year 6 SATs will be taking place next week**. Our pupils have worked incredibly hard, and we are so proud of their effort, determination, and positive attitude throughout the year.

We have put together some ideas that will help your child to **believe** that they can approach their SATs with confidence. To help your child feel calm, confident, and ready for the week ahead, we kindly ask for your support with the following:

- **Early nights:** A good night's sleep each evening will help your child feel refreshed and focused each day.
- **Water bottles:** Please ensure your child brings a filled water bottle to school each day to stay hydrated, especially as the weather is getting warmer.
- **Breakfast Club:** We'll be offering a special **Year 6 Breakfast Club starting at 8:00am** in the Year 6 classrooms throughout SATs week. This will give children a relaxed start to the day with time to settle in and enjoy a healthy breakfast with their friends. This will promote a sense of **belonging**; having time together will give all children the feeling of 'in this together'.
- **Punctuality:** If your child does not want to come to breakfast club, please ensure they arrive at school no later than 8:40 as we will be starting exams at 9am.

Above all, please remind your child that SATs are simply a chance to show what they've learned—they are already amazing, and we are so proud of everything they've achieved and will **become** as they complete this milestone.

Thank you, as always, for your continued support. Let's make next week a calm, confident and successful experience for everyone!

Yours faithfully,

Miss Shortt and Mr Emmett
Year 6 Class Teachers

* The term 'parent' includes any person or body with parental responsibility such as a foster parent, carer, guardian or local authority.
