

RE: Leeds Beckett University

10th June 2025

Dear Parent(s)*,

We are delighted to let you know that we have arranged a school visit to the University of Leeds Beckett University on Wednesday the 18th of June 2025. This will be a fantastic day out, giving the children a chance to explore the university campus and learn more about higher education opportunities in a fun and engaging way.

During the visit, the children will have the thrilling opportunity to look around the university campus and see a wide variety of university topics and student pathways in naturalistic habitats. They will also take part in a specially designed informative session exploring university life, courses, and student experiences, helping them understand the importance of conservation and how they can help protect higher education opportunities.

Trip Details:

- Date: 18th June 2025
- Departure from school: 9:15am
- Return to school: By 3:10pm
- Lunch: As normal at school
