RE: Children's University

18th November 2025

Dear Parent(s)*,

We would like to invite you to a short meeting on **Tuesday 25th November**, from **3:30pm to 4:00pm**, in **Miss Wilson's classroom**. The purpose of this meeting is to provide information about the **Children's University** programme, which we are excited to offer to our **Year 5** pupils.

Children's University is a national scheme that encourages children to take part in fun, high-quality learning activities outside of the classroom. By joining the programme, pupils can collect stamps for participating in clubs, workshops, and approved activities, working towards certificates that celebrate their achievements. It is a wonderful opportunity to help build confidence, explore new interests, and develop a love of learning beyond the school day.

During the meeting, we will explain how the programme works, how your child can get involved, and what opportunities will be available to them this year.

We hope you can join us and learn more about this exciting opportunity for our Year 5 children.

Best wishes,

Miss Wilson
Class Teacher

* The term 'parent' includes any person or body with parental responsibility such as a foster parent, carer, guardian or local authority.
