

RE: Bank of England Outreach Day

8th October 2025

Dear Parent(s)*,

We are delighted to let you know that your child has been chosen to attend a Bank of England Outreach Day at Leeds Trinity University, City Centre Campus on Wednesday 5th November.

During the visit, the children will learn how the Bank of England helps keep the country's money safe and stable, as well as how decisions about money and prices affect people's everyday lives and the wider economy.

The trip will take place during the school day, and lunch will be provided for all participating children.

This is a fantastic opportunity for the children to take part in an exciting and educational experience as part of our partnership with the Children's University, which encourages and celebrates learning beyond the classroom.

Thank you for your continued support.

Kind regards,

Mrs Wilson
Class Teacher
