

Facilities Hire

Welcome

Welcome to the White Rose Academies Trust Facilities Hire Booklet. Our Trust comprises of four academies: Leeds City Academy, Leeds East Academy, Leeds West Academy and Alder Tree Primary Academy. Over the last three years, the Trust has enjoyed year on year improvement, which includes all three secondary schools being rated as Ofsted Good, with Leeds City Academy being rated as Outstanding for Leadership and Management.

White Rose Academies Trust is on a significant journey which will see all our schools Ofsted rated as Outstanding within the next three years. Our academies are based in some of the most diverse and challenging areas of the UK, but all have at their core a truly inspirational student community. We are confident that our students will be the leaders of the future and that under their leadership, communities and nations will be radically transformed.

The White Rose Academies Trust actively promotes British Values and ensures they are represented in everything the Trust does. As part of our approach to British Values, we take very seriously our public sector equality duty (s.149 of the Equality Act 2010) which requires use to have due regard of the need to:

- eliminate discrimination, harassment, victimisation, and any other conduct that is prohibited by or under that Act,
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it,
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.
