If this provision is ignored, such supplementary remarks or conditions will not have any legal effect on the Organiser.

- 3.2 By submitting the registration form, the Participant accepts these General Conditions of Participation and, if available, the "Special Conditions of Participation" applicable for the specific Event, the "House Rules", the "Technical Rules" and the provisions of the "Service Documents". The Participant is responsible for their compliance by the persons employed by him at the Event and by the other Participants registered by him.
- 3.3 The contract on the participation is concluded by means of a confirmation, i.e. the Organiser accepts the contract offer.
- 3.4 The Participant is obliged to comply with all relevant statutory and official regulations, including such of labour or trade law nature and such concerning environmental protection, fire protection and accident prevention regulations. The Participant shall continuously monitor their compliance by the persons he employs at the Event, the other Participants he has registered and other vicarious agents and intervene in the event of a violation and/or inform the Organiser about the violations.

4. Admission, Permitted Exhibits

- 4.1 The Organiser will notify the Participant of the acceptance of the Participant's offer in an acceptance notice and of the stand space assignment by post, fax or in electronic form. Complaints by the Participant must be notified in writing to the Organiser within eight calendar days after receipt. If the confirmation differs from the Participant's registration, the contract is concluded in accordance with the confirmation unless the Participant objects in writing within three calendar days after receipt. Then the Organiser and the Participant need to reach an agreement immediately.
- 4.2 The Organiser shall take a decision, if necessary in agreement with the respective committees, regarding the admission of the Participant and registered exhibits to the Event via a written confirmation of admission. A contract shall come about with the admission of the Participant (see subsection 3.3).
- 4.3 The Organiser may exclude individual Participants from taking part in the Event for factually justified reasons, especially if the amount of space available is insufficient. The Organiser may also restrict the Event to certain groups of Participants if this is necessary to attain the purpose of the Event. The Organiser shall also be entitled to impose restrictions on the registered exhibits and change the amount of registered space.
- 4.4 Participants may only exhibit, offer and take orders for, the exhibits stated in the confirmation of admission and only at the location stated therein. Not permitted items can be removed by the Organiser at the Participant's cost, and in the case of emergency without prior warning. Goods and services, for which a use, possession or utilisation is not permitted in Germany must be legibly marked in the German language. Participants must have full power of disposal of the registered exhibits and possess any necessary official permissions and approvals. Descriptions and brochures relating to the goods or services to be exhibited shall be submitted by the Participant on request.

5. Space Assignment

- 5.1 The Organiser shall personally assign space in accordance with the subject and structure of the particular Event and the actual amount of space available. Space assignment wishes of the Participant are not binding and will only be considered if possible. The order in which applications are received shall not be the sole decisive factor in assigning space.
- 4.2 The allocation of a form of stand (e.g. row instead of corner stand, head instead of block stand) at variance with the registration does not entitle the Participant to withdraw.
- 4.3 The Organiser is entitled, even after the confirmation, to relocate the stand in the hall within a reasonable and acceptable scope without such entitling the Participant to rescind the contract or demand a reduction in the participation fee.

6. Unauthorized Transfer of Stand Space

The assigned stand space may not be exchanged with another Participant. Partial or complete transfer of the stand space or subletting of the stand space to third parties shall also not be permitted without the approval of the Organiser.

7. Fees, Payment Deadlines and Terms

- 7.1 The participation fee can be inferred from the registration form and the Special Conditions of Participation; the amount will be invoiced to the Participant by the Organiser. Complaints about the invoice can only be considered if they are received by the Organiser in writing within 14 days after receipt of the invoice. When sending the invoice, the Organiser shall draw the Participant's attention in particular to the importance of his actions.
- 7.2 The Organiser is entitled to demand a reasonable payment in advance or security for anticipated additional charges, e.g. for electricity consumption or other services.
- 7.3 Half of the participation charges are payable without deduction immediately on receipt of the bill, the remaining half no later than six weeks before the opening of the exhibition. Bills which are received later than six weeks before the opening are to be settled in full and without deduction immediately on receipt.
- 7.4 The Organiser is entitled to make the occupation of the stand space or issue of Participant ID cards dependent on the prior, timely and full payment of the invoice.

- 7.6 All invoice amounts shall be transferred in Euro without any bank charges or deductions quoting the customer number and invoice number to the account shown on the invoice.
- 7.7 If the Participant culpably fails to comply with his payment obligations on time, the Organiser shall reserve the right, after granting a reasonable period of grace with consideration of the circumstances and the remaining time, to terminate the contract with immediate effect for good cause.
- 7.8 Should a Participant fail to comply with his payment obligations, the Organiser may exercise his right of lien, retain the exhibits and the stand fittings, and have them auctioned at the expense of the Participant, each time after prior written notification, or to sell them privately if they have a stock exchange price or a market price.

- 8.1 A cancellation of participation by the Participant is possible until confirmation of admission. Such cancellation must be made in writing to be effective. In such a case, the Participant shall owe the Organiser a fee of 275.00 EUR for the to-date services of the Organiser unless he proves that the Organiser did not incur such a cost or incurred a much lower cost.
- 8.2 A non-participation by the Participant despite confirmation of participation does not release the Participant from his contractual obligations. The Participant shall be obliged, in particular, to pay the contractually due fees. The Organiser shall not be obliged to accept a replacement participant nominated by the Participant. If the Organiser is able to otherwise let the stand, the Participant will be credited with the proceeds obtained by the Organiser from such letting less a remuneration of 25% of the net participation fee, but at least 400.00 EUR.
- 8.3 In the case of a non-participation, the Organiser shall be entitled to let the stand space not used by the Participant to a third party or redesign the stand layout at the cost of the Participant in order to ensure a gapless appearance of the Trade Fair or Exhibition.

- 8.4 The Participant will also not be released from his obligation to pay the participation fee if the assigned stand space is otherwise let but the total available space for the Trade Fair/Exhibition could not be entirely let.

- 9.2 The Organiser shall also be entitled to cancel, postpone or change the duration of an Event if, for one of the reasons listed in 9.1, the smooth running of the Event is impaired or jeopardized to such an extent that the purpose of the Event cannot be achieved or can only be achieved to a considerably limited extent. The interests of the Participants must be taken into account when making such judgements. If the Event is cancelled for the aforementioned reasons, the Organiser shall be entitled to claim up to 25% of the participation fee from the Participant for general reimbursement of costs unless the Organiser is held responsible for cancellation of the Event. The participation fee shall be arrived at on the basis of the participation costs which can be found on the registration form and in the Special Conditions of Participation. Further costs shall be charged where the Participant has made use of additional chargeable services.
- 9.3 A change in location or timing or a change in duration shall become part of the contract upon notification to the Participant. The Participant must be notified of this fact immediately. Other conditions shall apply where the Participant objects in writing immediately, no later than two weeks following receipt of the notification. In the event of an objection, the Participant shall pay participation fees amounting to 25% unless the Organiser is held responsible for the relocation or alteration of the Event.
- 9.4 In the event of premature cancellation, temporary interruption or late start of an Event, the Organiser shall reimburse expenses saved to the Participant.

- 19.9 The Participant shall be liable to the Organiser for the damage caused by the Participant himself, his employees, authorized representatives or exhibits and stand fittings.

- 20.2 If one of the clauses of the General and Special Conditions of Participation is or becomes invalid or unenforceable, the validity of the contract and/or the other clauses of the Conditions shall not be affected.
In such a case, the Organiser and the Participant undertake to agree on a valid and enforceable clause that is deemed applicable from the start and comes as close as possible to the purpose of the clause to be replaced. This analogously applies for the filling of any gaps.
- 20.3 The limitation period for claims against the Organiser shall be one year, unless they are due to gross negligence or intent on the part of the Organiser or the claims are subject to a statutory limitation period of more than three years. The period of limitation begins with the last day of the Event.
- 20.4 The Participant can only offset counter-claims that have become res judicata, are undisputed or acknowledged by the Organiser against the Organiser's claims. This provision shall also apply to rights of retention if the Participant is a registered trader, a legal person under public law or a special public asset. If the Participant does not belong to this group of persons, he shall be entitled to exercise a right of retention in so far as his counterclaim is based on the same contractual relationship.
