## Fleet & House Accounts

PRIVATE LABEL

### Grow Fuel Volume. Keep More Margin.

Majestic Fleet Solutions gives c-stores a simple, profitable way to serve local commercial customers.

With private-label Fleet Cards and House Accounts, **you keep the relationship, the data, and the margin** – while we power the technology behind the scenes.

### Why Offer a Fleet Card?

Local businesses fuel every day. **When they use your card, they fuel at your store** – not the competitor down the street.

### More gallons. More loyalty. More margin.

Private-label programs eliminate third-party fees and keep commercial customers fueling with you.

Most stores see increased volume within the first 90 days.

**Ask us for your custom ROI projection.**
