Thank you for inquiring about having your special event with us at O'Lordans Irish Pub. Depending on the size of your group and availability there are a couple of areas that can be reserved for your event. After establishing which area is appropriate for your group a \$100.00 deposit will be necessary to secure your reservation for that area -- you will have access to that area for three hours on the day of the event, as we do host multiple events per day when possible. The deposit will be deducted from the final bill at the conclusion of your event.

For your convenience a variety of party menus are offered to help you come up with a menu that best suits your event. A 22% service charge and a 6% Maryland sales tax will apply to all events. Menus need to be selected 2 weeks prior to the event, and a final guest count will be required 7 days prior to the event. Clients who choose to offer a seated dinner option need to select three entrees for their guests to pre-order from. When you give the final guest count the client needs to provide the restaurant with the exact number of the pre-ordered entrees, this keeps the mealtime on a timely schedule, especially on the weekend when the rest of the restaurant is very busy. Seated meals also need to have guest place cards which indicate the food choice of the guest indicated. Clients bringing their own cake or dessert there is a \$1.50 p/p fee applied.

Lunchon menus are available. We only offer lunchon menus between the hours of 11:00am-3:00pm.

If you choose to offer your guests adult beverages --these can be tallied on a by consumption tab and be added to your final bill or you could elect to have a cash bar option, where your guests would be responsible for payment of their own alcohol beverages-- Service charge & 9% alcohol tax will be added to both options.

Please Contact Cody with any questions or to set up your event. Please keep in mind that O'Lordans Irish pub is closed on Mondays.
