

Improve Your HEDIS Scores & Get the Incentives You Deserve

Maximize your revenue potential while ensuring that your patients get the best care possible with **Quality and Risk Adjustment (QRA) HEDIS** services from IMS.

Expert Support Tailored to Your Needs

Want to improve your HEDIS score without the hassle? Let our team take away a huge portion of your administrative work. Whether you'd like to collaborate or get our full-time remote staff, IMS QRA HEDIS services help you avoid gaps in care and increase your bottom line.

We will collaborate with you to:

Identify HEDIS measures for your practice to work on	Train providers and staff on each measure requirement	Set patient-specific HEDIS alerts in IMS
Provide the gap in care report	Review open gaps and timelines	Communicate with insurances about HEDIS alerts in IMS
Provide HEDIS star reports	Ensure claims are coded accurately	Assist in quality reporting audit

Healthier Patients and a Healthier Business

With the rapid shift towards value-based care, a good HEDIS score puts your practice in a better position to succeed. Enjoy the advantages HEDIS compliance brings to both your business and your patients.

Benefits to Your Patients	Benefits to Your Practice
 Promotes preventive care and self-management	 Improves quality of care and performance
 Helps prevent chronic conditions from getting worse	 Improves patient outcomes
 Patients earn health rewards from insurance plans	 Reduces cost of care through preventive measures
 Improves doctor-patient relationships	 Empowers you to impact your community positively
 Enhances patient's overall experience	 Maximizes productivity and compensation

We Are With You Every Step of the Way

Whether it's HEDIS, MIPS, or other quality measures, our goal is to make compliance convenient and easy to understand for you and your staff, so you can concentrate on what matters most: providing quality patient care.

Dr. Hargrove-Brown
Global Administrator,
Allmed Medical Center
Clinica Medica General

"Meditab meetings with the healthcare team are immeasurable. All of this helps us to meet any missed measures."

Priscilla Ching, FNP
Nurse Practitioner
AllMed Medical Center

"They help with administrative tasks and back-end support when we need it. The team also helps to coordinate care for patients."
