Be There for Your Patient, No Matter Where They Are

Patients Need the Flexibility to Visit a Physician From Home.

“Telemedicine visits offer a better ROI...
It becomes a win-win for the patient!”

3 Easy Steps:

1. A patient asks for a Televisit appointment
2. Send them an automated link from your Scheduler
3. They join their visit via IMS Patient App or a supported browser

Televisit even includes demos and instructional videos to help you get the most out of remote visits.
