

Georgia Association of Fire Chiefs

Georgia State Firefighters Association

2026 BUSINESS MEMBERSHIP AND

SPONSORSHIP PROGRAMS

Our vision is to foster meaningful connections between businesses and the firefighting community, enhancing the safety and well-being of Georgia's residents by supporting the lifesaving efforts of firefighters, rescue teams, and EMS professionals.

As career firefighters, we understand the vital importance of having the advocacy and support of the Georgia Association of Fire Chiefs (GAFC) and the Georgia State Firefighters Association (GSFA) in our life-saving work for the community.

Since the inception of our state associations in the 1950s, we have positively impacted thousands of fire, rescue, and emergency services professionals through:

- Continuing education and training
- Access to innovative products, solutions, and services
- Legislative efforts to protect both firefighters and citizens
- Support for the families of fallen firefighters
- A strong sense of camaraderie, support, and networking

We have achieved these milestones with the invaluable support of the business community—your dedication to the fire service mirrors our own. Our growing membership of over 4,000 members relies on equipping their departments to provide the highest level of life-saving services to those they are sworn to protect.

By participating in our 2026 Business Membership, exhibits, and sponsorship programs, your company will have a unique opportunity to engage directly with key decision-makers and influencers in our field.

These business engagement initiatives also provide essential financial support, enabling our associations to continue serving our courageous members.

On behalf of the GAFC and GSFA, we look forward to a successful partnership with your organization.

Sincerely,

Chad Jones, Fire Chief
City of South Fulton's Fire and Rescue Department.
President, GAFC

Mike Byrd, Fire Chief
Spalding County Fire Department
President, GSFA

The Southeastern Association of Fire Chiefs (SEAFC) and the Georgia Association of Fire Chiefs (GAFC) are proud to join together to present the 98th Annual Leadership Conference in Savannah, Georgia. This year’s theme reflects the balance between preserving the proud heritage of the fire service while adapting to rapid technological advancements and cultural shifts. It emphasizes leadership in a changing world—where innovation, adaptability, and tradition coexist.

The Georgia Association of Fire Chiefs is honored to host this premier event, bringing together fire service leaders, innovators, and professionals from across the region. The conference is designed to foster collaboration, share best practices, and explore emerging trends that shape the future of fire and emergency services. Attendees will gain valuable insights, strengthen leadership skills, and build connections that advance the fire service profession.
