

Chapel Street Community Primary School

Family Newsletter: Summer 1st half term 2021 Week 2

Friday 30th April 2021

Respect everyone; Grow together

Dear parents, carers and Chapel Street family,

I have the privilege at the moment of giving tours of our school (in line with our Covid-19 risk assessment) for potential applicants who would like to join our team in September and am so impressed with the warm welcome that everyone is always given by each child. We are very proud of all our children and no matter the time of day, when I visit classrooms I always find a calm, nurturing and hard-working atmosphere where our children are excited to share their learning with others and show curiosity in the world around them. This week I have seen some excellent maths in all classes, children really enjoying their reading and even a dinosaur hatching in year 2!!

Mrs Hughes, Headteacher

be
KIND
TO OTHERS.

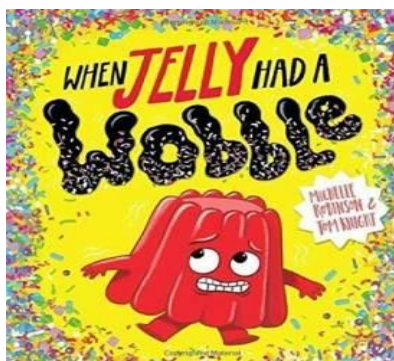

How have you shown kindness to yourself and other this week?

This week

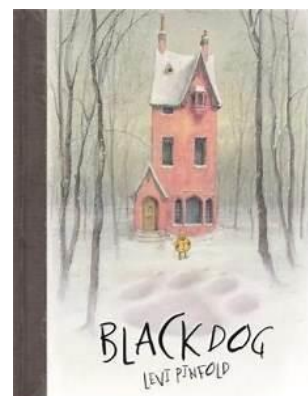

Today is
International Dance Day

Dancing is a great way to exercise and often brings a sense of happiness.
Why not dance the weekend away to your favourite music?

In our KS1 assembly, Mr Heath read a story about friendship and how it is ok to have a wobble now and again.

In our KS2 assembly, Mrs Smith read us a story about how we all have fears and how we can face up to them.

We are learning this week...

Mr Heath's joke....

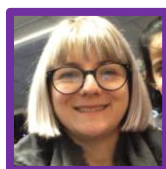

Q: Where do fish keep their money?
A: In a RIVER BANK!

This week's joke is from Amina in Reception C

Do you have a good joke for the newsletter?
If you do, please come and give it to Mr Heath.

Miss Ortoft's sign...

EAT
Bunched fingers and thumb of primary hand tap mouth twice.

DRINK
Primary hand mimes drinking out of a glass.

Mrs Pilling's word...

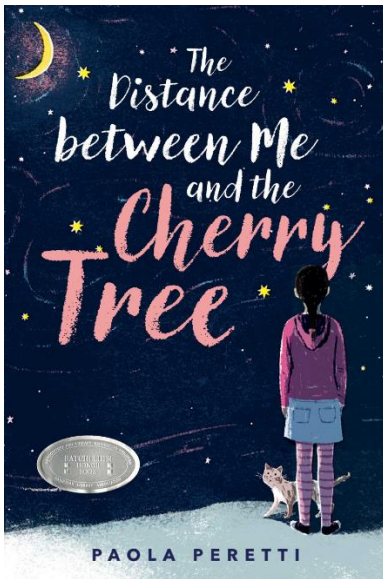

This week's word was:

acquiesce

Which is a verb that means to agree to do something with protest.

I wonder what next week's word will be. What would you choose?

Reading at Chapel Street

The year 5 Reading Gladiators have started their new book

'The distance between me and the cherry tree' by Paola Peretti.

The children have started to explore the concept of having low vision and how your world may feel like darkness.

They have been making links between being afraid of the dark and how low/no vision are similar and different.

Well done to Hamdan, Samrah, Aisha K, Mya, Khadija, Zainab, Kawsar and Riya

Working together to keep everyone safe at Chapel Street...

Online safety Reminder

A top tip from Childline for staying safe online is...

Cover your webcam.

Some viruses will let someone access your webcam without you knowing, so make sure you cover your webcam whenever you're not using it.

Net Aware

Net Aware has all the information you need to help you keep your children safe online.

Online safety helpline:
0808 800 5002

www.net-aware.org.uk/

Road safety

Help keep our children safe by not turning your car around in the middle of the road. This makes it very unsafe and is inconsiderate to other drivers and road users.

If you are using a taxi please ask them to pick you up away from the school gates.

Something to celebrate?

Have you got some news to share or something to celebrate from outside of school? Maybe you've earned a swimming badge or been kind to a neighbour.

Let us know by emailing below and you might be in the next newsletter!

Important reminders

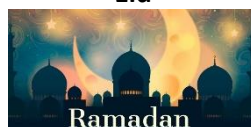

Bank Holiday Monday

School will be **closed** on Monday 3rd May (next week) for Bank holiday Monday.

We are open again as usual on Tuesday 4th May.

Eid

Please make sure you reply to the letter about Eid, if your child will not be attending school one day in May for religious observance.

Term dates

We finish for May half term on Friday 28th May and return on Monday 7th June. We finish for the summer holidays on Friday 16th July.
