A message from the Directors

February has brought great energy across Semloh, and it's been encouraging to see the year settling into a strong rhythm.

Programs are up and running, new team members are finding their feet, and leaders are continuing to grow into their roles with confidence. There's a real sense of focus and forward movement across the organisation.

We've been especially proud of the way our team continues to support one another while maintaining high standards for the clients and families we serve. The consistency, professionalism and care shown day in and day out does not go unnoticed.

Semloh has always been built on steady foundations, and that commitment continues. We're excited about the direction ahead and the opportunities this year will bring for our clients, our staff and the wider community.

Thank you to everyone who plays a part in making Semloh what it is.

We're looking forward to a strong and positive year together.

FEBRUARY ADVENTURES

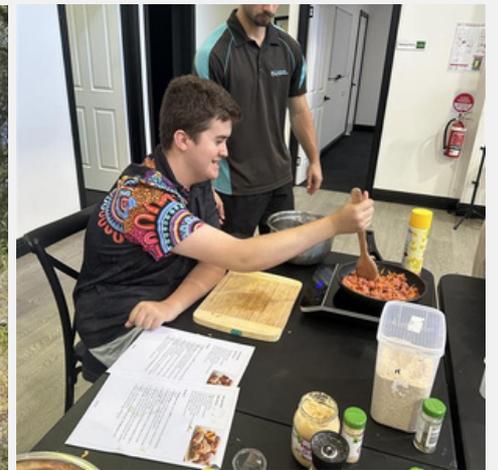

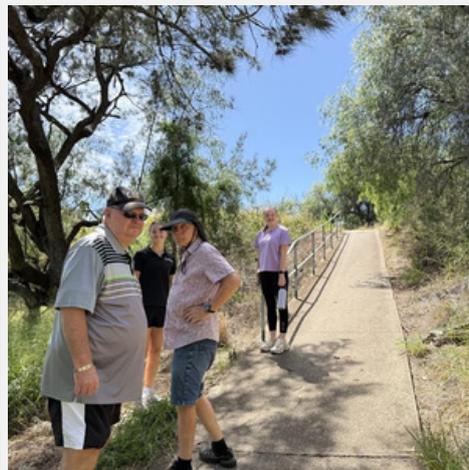

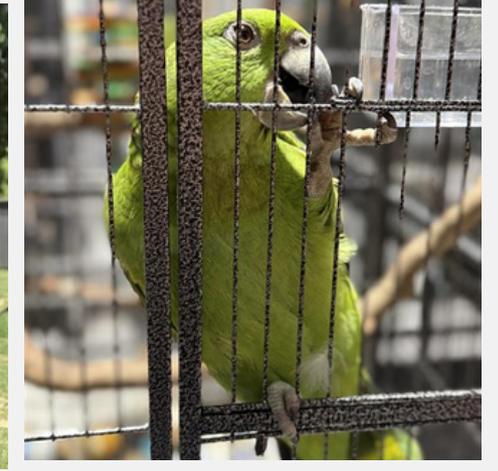

Semloh was quite busy this February! From fun outings in Toowoomba and surrounds. We visited the pool, the local parks for a BBQ and afternoon walks, new pet shops, also cooking and doing crafts in our very own community centre! An exciting adventure we went on was visiting the Gold Coast! We went to the markets, visited some local shops and went to the beach! There were heaps of fun to be had in February.
