Our Lions were out in force today at the Just Between Friends sale giving FREE eye screenings for kids!

Cedar Key Lions Club

Cedar Key Lions delivered 16 cans of powdered infant formula to the Tri County Resource Center in Chiefland. Infant formula is in high demand and short supply in the communities we serve. The decision to gift them to the Tri County Resources was made after checking in with the local food pantry in Cedar Key, who deferred the donation to Tri County as their need was higher. The Tri County Resource Center has been working closely with the Lions Club of Cedar Key for the last few years, connecting resident who are in need of Eye Exams and Glasses to the Cedar Key Lions program that provides the service for underserved families for free. The two organizations missions align perfectly to aid our communities, and the collaboration has enhanced the outreach ability for both the Tri County Resource Center and the Cedar Key Lions club to assist more people each year.

Century Lions Club

The Century Lions Club proudly hosted their Century Lions Cross Country 5K Run/Walk on October 11, and this year's event was a tremendous success. Participation more than doubled compared to 2024, reflecting the growing community support for both the club and its mission. Runners and walkers of all ages came out to enjoy the course, promote healthy living, and support the Lions' ongoing service initiatives. The Century Lions Club extends heartfelt thanks to everyone who registered, volunteered, and cheered—your involvement made this year's 5K the best one yet!

We pray we can continue to help families within wakulla county who needed a little help getting dinner on the table in 2026!. ❤️❤️❤️

Gulf Breeze Lions Club

Building Confidence, Skills, Community, and our Club

November was a busy and exciting month for our newly formed club. We conducted 31 drawings for our \$500-A-DAY-GIVEAWAY Fundraising raffle starting on Halloween and ending at the Lion exhibit at the Gulf Breeze Zoo on November 30th. It has been a tremendous amount of work, and we have learned a lot of lessons along the way, but it has been very rewarding. We have been able to build our presence in the community by conducting our drawings at local business establishments and organizations on Facebook Live. Our Facebook page has gotten over 21,500 views and we gained over 160 followers in the last 30 days.

Most importantly, we have added 3 new members to our club this past month. Please welcome Lions Gayle Piret, Charles Collins and Joy Enneking to our club! We have also raised money for our General Fund/Activities Account. The support from the local community has been amazing and much appreciated. Many of the local businesses donated some amazing 2nd & 3rd chance prizes to our raffle drawings, making it even more fun and exciting.

In addition to these recent activities, we have also been able to establish 5 eyeglass collection locations in the community since our club formed in April of this year.

As we look ahead to the coming months, the Gulf Breeze, FL Lions Club remains committed to strengthening our club and serving the needs of our community. We extend our gratitude to every member, volunteer, business, and supporter who helped make November a success. Your continued participation and generosity keep our mission strong. Together, we carry forward the proud tradition of Lionism in Gulf Breeze.

WE CARE. WE SERVE. WE ACCOMPLISH.

Live Oak Lions Club

Recently, I had the pleasure of being the guest speaker at Live Oak Lions Club 75th Anniversary. I was so excited to see the “original” charter being displayed. So many times, the original charter is misplaced and there is really no way to produce a new one. It’s truly one of a kind.

I was also happy to see all Lions proudly wearing their yellow Lions vests. This makes me very happy when I visit clubs, and I see a sea of yellow.

Attendance Awards were given to long time Lions. Lion Edward Howell for his 50 years of honorable service. Lion Bob Dawson for 30 years of honorable service. Lion Gerald Herring received an appreciation award for his many laughable years of being the club’s Tail Twister.

An Appreciation Award was presented to the Live Oak Shop for the years of Ms. Tiny offering her back room for the twice-a-month meetings.

The Florida Sheriff’s Youth Ranch Director, Marie Knapp, was in attendance to offer her appreciation to the Live Oak Lions for their very important involvement in the Florida Sheriff’s Youth Ranch.

I was honored to see several of the Leo members in attendance at this celebration. Live Oak Lions Club has been very instrumental in giving guidance to these young Leos.

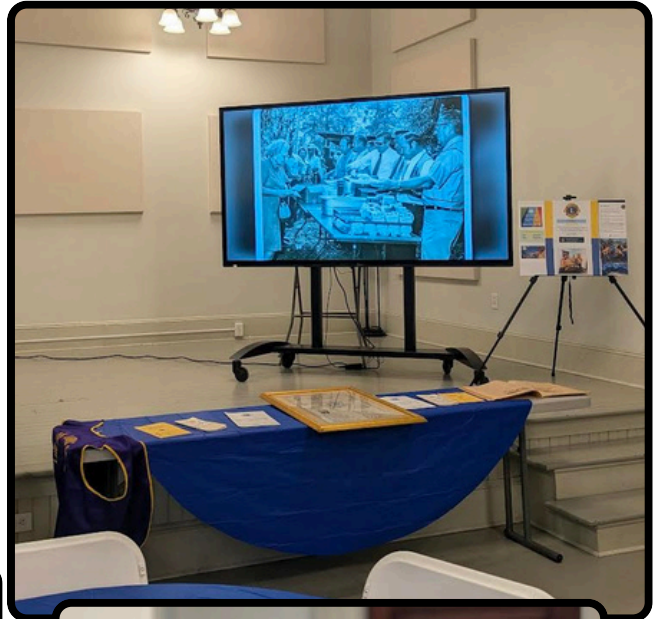

You can’t forget Lion Cheryl Nolte, who was present and taking all the wonderful pictures you see in this article.

However, as a District Governor, I am sure this club will go on for many years because these Lions have what it takes to help the community and the younger generation. They understand the importance of being Lions and I am honored to be their District Governor.

LIGHT UP OCALA

What a day! Lion Gray Henschen and Lion Bob Barto helped the Silver Springs Lions unload their trailer, set up the canopy, tables, chairs and coolers. Then at 3 pm the main crew of Lions Toni Ancrum, Alan Verrier, Sandy Verrier, Susan Oliva, Pat Greaves, Helen Anderson, Patti Barto and Bob Barto supported the members of the Silver Springs Lions to cook and sell funnel cakes, drinks, and deep-fried snickers. It was a very busy evening, but well worth the effort as they share the proceeds of the evening with our club. You could not have asked for a better night with mild temperatures and great camaraderie.

A great fund raiser!!! As a club we sold over 700 this year for an all-time high. Coupled with the Dunnellon 2 Lions Club we placed an order for 903 flowers. We anticipate delivery on December 3-5 to Lion Gray Henschen's home in Ocala Palms. We can use a lot of hands to help with the unloading process.

Ocala OTOW Lions Club

The Lions Club “Pawtastic” Halloween Dog Parade is over and the weather cooperated on October 28, allowing pets and parents to participate. Our sponsors for the event included the Poms Dance and Cheer club and the SPCA. The Poms sponsored the “most colorful” costume or the costume that best showcased a cheerleader. We did not have the participation we hoped for but it was our first time for this event. The photo shows one of our participants. Our fund-raising chair Lion Norma developed a fun, interesting and new way to introduce residents to our Lions Club. Thank you to all members who participated in this event.

Director, Todd Belknap from Vets Helping Vets came to our club and shared with our members the needs and the services provided by Veterans Helping Veterans to the Marion County veteran community. They are a stand-alone, donation driven, non-profit organization. We were able to present a \$1,000.00 check to him for this important county organization.

At this writing, our services committee, led by Lion Eileen is preparing to deliver 107 Thanksgiving meals. Our club members participate in completing the meal packages with fresh produce donated by O’Steen’s Market, Walmart Market as well as Sunrise Harvest. We are very fortunate to have partners, like Super Walmart and the Walmart Market as well as other local vendors such as Sunrise produce and O’Steen’s market that assist us in gathering and packaging the traditional meal.

On November 19 we will complete the meals by gathering the turkeys and non-perishable goods from Super Walmart on state road 200 and deliver them to several of our school families in three different Marion County schools Dunnellon, Saddlewood and College Park Elementary, the Ritz Veterans lodge and to Vets helping Vets. This year we were able to expand our donations to meet the greater need because of the success of last years’ Casino Night fundraiser.

Our current community services event is our annual Toys for Tots Christmas tree which is on display in the lobby of the Recreation Center. This year you’ll find our tree decorated with candy canes instead of tags. Please bring a toy for any child ages newborn to 12 years old and leave it in the box, unwrapped and we will deliver them to Toys for Tots. If you care to, take a candy cane in exchange for the toy. The last date for donations is December 10.

We have been increasing our members these past few months and are always looking for folks that would like to participate in the services we provide to our community. If you are interested come to the Arbors Conference Center Event room at 5:00 p.m., we meet on the second and fourth Tuesday of each month, come enjoy our company and learn about our club.

If you would like further information, you may contact Bert Perkins, she is our membership chair at 909-262-8407.

Orange Park Lions help fuel the latest Impact Clay Train stop at Grove Park Elementary School in their hometown!

The latest stop of the Impact Clay Train of 2025 was at Grove Park Elementary School in Orange Park on a beautiful Saturday Morning from 10 AM till noon in November. The train served with the help of over 90 volunteers who provided services for 228 folks who showed up to visit the latest "Train Stop." Medical services from the Emmanuel project, and food served by the Salvation Army. The train counts included 250 hot mails served to visitors and volunteers, 13 haircuts given, 10 patients served by the medical car, and the Lions Club performed 30 vision screenings for adults and children.
