DONOR CHOICE

For a minimum donation of \$25 and 10% processing fee, donors are offered the convenience of designating their gift to any non-profit organization that maintains anti-terrorism compliance. If the agency does not qualify, cannot be located, or the designation does not meet the minimum amount, the pledge will be directed to the Community Impact Fund. To designate your gift, you must complete a Donor Choice Form. Ask your internal Campaign Coordinator for more information on how to receive a Donor Choice Form.

NOTICE

Giving is a personal decision. United Way of the Piedmont strongly discourages and works to eliminate coercion of any kind in the solicitation process. No goods or services were provided in exchange for this contribution. Should you have selected payroll deduction as the payment method for fulfilling your gift, your employer is responsible for withholding those funds from your pay. Your employer is also responsible for sending those withholdings to us in a timely manner. You may need a copy of your final pay stub, W-2, or other employer document showing the amount withheld and paid to a charitable organization for tax purposes. Consult your tax advisor for more information.
