Dear Michael,

As we come to the end of the Christmas season, in the name of the whole Oblate community, I thank you for your generous donation of \$35,057.09. The response to your parish's recent Oblate Annual Appeal is another example of the long relationship our community shares with the people of St. John Neumann Catholic Community.

We Oblates are blessed by your continued kindness, and our ministries are enhanced because of your financial support. We are grateful to you and your fellow parishioners for your ongoing support.

Your gift enables us to continue our work and advance the mission that has brought peace, consolation, and joy to countless women, men, and young people through the years. From the support of inner-city Catholic education and social services to the poor in urban areas to caring for our retired and infirm Oblates with a respectful dignity and providing for the education and formation of seminarians, we are proud to enjoy your partnership in our ministries.

Be assured of the gratitude and prayers of all of us Oblates. Please know how much we appreciate your ministry and presence in northern Virginia. You are a blessing to the whole community.

Once again, thank you for all you do!

Gratefully in St. Francis de Sales,

*Jack Kolodziej*
