

5th Session - Small Group St. John Neumann Confirmation Prep 2024

Topic: Gifts of The Holy Spirit

By the end of the whole Confirmation program, we would like the teens to see how God is the fulfillment of all desires.

Main objective: By the end of this session, we want the students to come to a deeper understanding of the graces they receive during the sacrament of confirmation. In particular, we want to make the connection to the gifts received at Baptism and How they are strengthened during this last sacrament of initiation. One major highlight is the seven gifts of the holy spirit.

Green text indicates special notes for mentors.

This is more of a resource structured to be a springboard to prep for your teen sessions. We have filtered the videos "Chosen."

You will most likely not have time to systematically go through everything in this document and watch every video with your teens. This resource is a guide to make you feel equipped when planning your session. When structuring your session, keep in mind the main objective mentioned above. We want the teens to leave with that at the end of this meeting. The Holy Spirit will guide each of us in different ways to get our group to that end.
