Important Information for Entrants

In 2026, we are unable to currently schedule prize & appearance money for entrants. This change is due to the carnival estimating a reduced income from activities and support in the next 3-5 years.

The organising group continue to raise funds to enable the Carnival to go ahead and ensure that Shepton Mallet can continue to be part of SCGFCA circuit.

Shepton Mallet will organise a presentation evening and details will be announced soon.
