Calling all Vikings! The time has come to raise your horns and celebrate the launch of Asgard Ale, the brew fit for gods and warriors alike!

Vista Viking Festival is proud to partner with Prohibition Brewing Company to craft and brew a beer worthy of a Viking Warrior.

Join us for an epic evening of revelry, as we unveil this legendary Viking Beer with a night of festivities that includes live music by the Blindfold Monks, Axe Throwing, Viking Photo Ops with THOR, Viking Merchandise, along with the 91X Street Team and our Festival Queen and Court.

Get a drinking horn from Swift Hammer Leather, snag some Asgard Ale merch from our team, and take advantage of special promotional ticket pricing for the Vista Viking Festival in September.
