GENERAL PRICE LIST

These prices are effective as of December 1, 2025 and are subject to change without notice. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing, on the statement we provide, describing the funeral goods and services you selected at the time of need. If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials with or without an outside covering (the containers we provide are fiberboard containers.)

TERMS OF PAYMENT

We require payment in full prior to services being rendered. You may make arrangements and pay online at AngelCremations.com where we accept all major credit and debit cards. Payments may also be made by check, money order, or other means in person at our physical office.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.
