DEMO ONE

Demo 1: New Concepts

What You Will Learn:

Some of the new visual language and interface changes

Step-by-Step Instructions:

1. Display help for Liquid Glass readability: Go to Settings, Accessibility, Display & Text Size turn ON Reduce Transparency
2. Open the Phone App; if you do not prefer the new layout, hit upside triangle lined icon top right and select “Classic” - this brings it back!
3. Mail App Categories: to disable, select ellipses (three dots icon) top right corner in All Inboxes and select “List View” - this brings the list back!
4. Tap the name to view your saved Username and Password (tapping on the black bubbles reveals your password)
5. In Mail, Messages (texts) and Photos App notice that Search is at the bottom of the screen

My Notes:

DEMO TWO

Demo 2: Photos App and Camera App

What You Will Learn:

Interface changes to the Camera and Photos Apps

Step-by-Step Instructions:

1. Open the Camera App, at the bottom swipe “PHOTO” to the right to change functions
2. Swipe up from near the bottom to access 7 key tools: Flash, Live, Timer, etc Tap above to exit
3. Tap the six bubbles at top right as well for tools
4. Open the Photos App and select “Library” from the bottom left corner; note Search is now bottom right
5. Tap “Collections” bottom left and then select the Ellipsis (three dots icon top right corner) icon to access “Reorder;” this allows you to re-organize all of the sections to your liking
6. Select the blue arrow to the right of any item in “Collections” to collapse that item for easy viewing
7. Select “Media Types” and “Utilities” and explore!

My Notes:

DEMO THREE

Demo 3: Text Messaging Concepts

What You Will Learn:

Fun new additions to the Messages (texting) App

Step-by-Step Instructions:

1. Open the Messages App and select an existing conversation. Tap the text of the person's name at the top, then select "Backgrounds." Choose from the selections, or a photo or a color!
2. Open a text message that has text from a foreign language, then tap and hold on the text and select "Translate." Select "Translate Conversation, choose the language and viola!
3. Click the "+" button and select "Polls." Type in three or four choices-they can choose multiple!
4. Click the "+" button and select "Send Later." Choose the date and time and let them sleep!

My Notes:

OTHER HELPFUL RESOURCES:

In macOS Tahoe, the Tips App has everything you need, literally manuals for all devices, apps and software. The most incredible resource there is!

The App icon looks like this:

Don't forget that there is a website dedicated just to this class, with downloadable versions of these files, plus an EXHAUSTIVE "Long Form" explanation in plain english of all of the concepts discussed in this class. I will also post tutorial videos of the class based on your feedback!
