Teaching and Preaching the Gospel

THE BISHOP'S APPEAL plays a key role in the development /education and support to those who have answered Jesus's call to serve others as ordained ministers of the Church. It provides education and housing for seminarians in our Diocese as well as providing training to men participating in Diaconate education.

We pray for vocations to ensure we have a vibrant church today and in the future.

Of course, it is our responsibility to nurture and sustain our retired priests at the Catherine Dennis Keefe Queen of Clergy Residence. Even while "retired" spend many hours giving of their time in churches and parishes throughout the diocese. Remember, many of our churches such as our own, have only one priest to minister to the faithful. As a Catholic community, we rely on the presence and participation of our retired priests, who continue to do God's work even in their senior years. We have a duty to ensure they live their lives with the dignity and comfort they have so well earned.

Let's offer our prayers for all of these men who continue to answer Gods call to "to leave all that you have and come follow Me".

"One in Christ" is the theme of the 2024 Bishop's Appeal. This message is more important than ever as we work toward unity in our Church and in our society. In that spirit, please consider the many ways in which the Appeal unites the diocese in service , compassion and faith.

All the good works performed are accomplished in the name of Christ and are expressions of oneness in Him. The Bishop's Appeal is an important vehicle to create welcoming, vital and loving communities of faith.

This year's Appeal goal for our parish is **\$100,200** which remains unchanged from last year. Thank you for your past support of the Appeal and for all that you do for our parish, other families and those you may never meet. Once again, we ask for your generous support of the 2024 Bishop's Appeal.

May God bless you always.
