

Mayberry Bequest Stewardship Input Form

St. Lucas UCC is inviting members to share ideas for how the Mayberry bequest can faithfully support the long-term vitality of our church.

This effort is part of a broader commitment to thoughtful stewardship, sustainability, and alignment with our mission. This is not a vote or a promise to fund specific ideas. Instead, it is an opportunity to share perspectives and raise questions that can inform the Church Council's strategic planning, spiritual growth, and financial scenario analysis.

We welcome these ideas as prayerfully offered seeds to help discern how God is calling love, faith, and caring service to grow at St. Lucas UCC, for today and for generations to come.
