SPRING

As a proud Canadian and firm believer in ethical sourcing I feel it's a natural fit and ultimate privilege to design this special collection for Maple Leaf Diamonds, the leader in Canadian diamond jewellery.

The Seasons collection is inspired by the nature infused in our ever-changing Canadian landscape. Awakening delicate buds of spring, sparkling summer lakes, earthy autumn forest trails, followed faithfully each year by the winter beauty of gently falling snow.

DIAMOND EVOLUTION

NATURE UNTOUCHED™

Lab grown diamonds are high quality certified diamonds, produced through cutting edge technology replicating the formation of a natural diamond. They have the same physical, chemical and optical properties as a natural diamond, with a sparkle equally as brilliant.
