

Dear Valued Customer,

Due to a correction of our manufacturer's most recent price increase, there has been an adjustment on PVC pipe, effective **September 15, 2026**.

Updated price lists will be available on our website shortly.

This increase will affect the following products:

- PVC Sch 80 Pipe

We will honor current pricing on existing orders and any orders placed before the effective date, while supplies last and subject to available stock.

Thank you for your continued support and understanding.
