

Dear Valued Customer,

Due to increases in raw material and transportation costs, our manufacturer has notified us of a price increase on PVC pipe, effective **May 7, 2026**.

Updated price lists will be available on our website shortly.

This increase will affect the following products:

- PVC Sch 40 & Sch 80 Pipe

We will honor current pricing on existing orders and any orders placed before the effective date, while supplies last and subject to available stock.

Thank you for your continued support and understanding.
