IMPORTANT INFORMATION

We have a separate house rules document - the following is only a rough overview.

CLOSING TIME

On the wedding day	at 3 a.m.
All other days	at 12 a.m.

HOW TO GET THERE

Haggenberg Castle is about 50 minutes by car from Vienna city center. The nearest train station is in Fröttendorf. There are direct train connections to and from Vienna and Schwechat Airport. on request we can also arrange a shuttle service.

PARKING

We will provide you with a map showing all public parking spaces. Parking in the alley is not permitted during events!

CLEANLINESS

We kindly ask you to keep the garden clean at all times!

As we are located in a windy area, light objects and rubbish can be easily blown into the moat, resulting in high cleaning costs that must be covered by the bridal couple.

PETS

A dog, two cats, and several chickens live on the castle grounds.

We therefore ask you to notify us in advance if you or your guests will be bringing dogs, in order to avoid any incidents.

INSURANCE

A wedding not only costs a lot of energy, but usually also a lot of money - that's why we always recommend at least thinking about an insurance!

IMPORTANT INFORMATION

EARLY DELIVERY OR LATE PICK-UP

The delivery or pick-up of beverages, decorations, flowers, etc. outside of the rental period is possible depending on the booking situation and will be charged according to the time and effort involved.

We accept no liability for any damage or theft!

CATERING

We do not have our own restaurant, so you are free to choose your own caterer!

Breakfast for up to 20 people can also be booked through us.

RECOMMENDATIONS

After your viewing appointment, we will send you our list of recommended service providers with whom we have already worked, as well as other accommodations in the area.

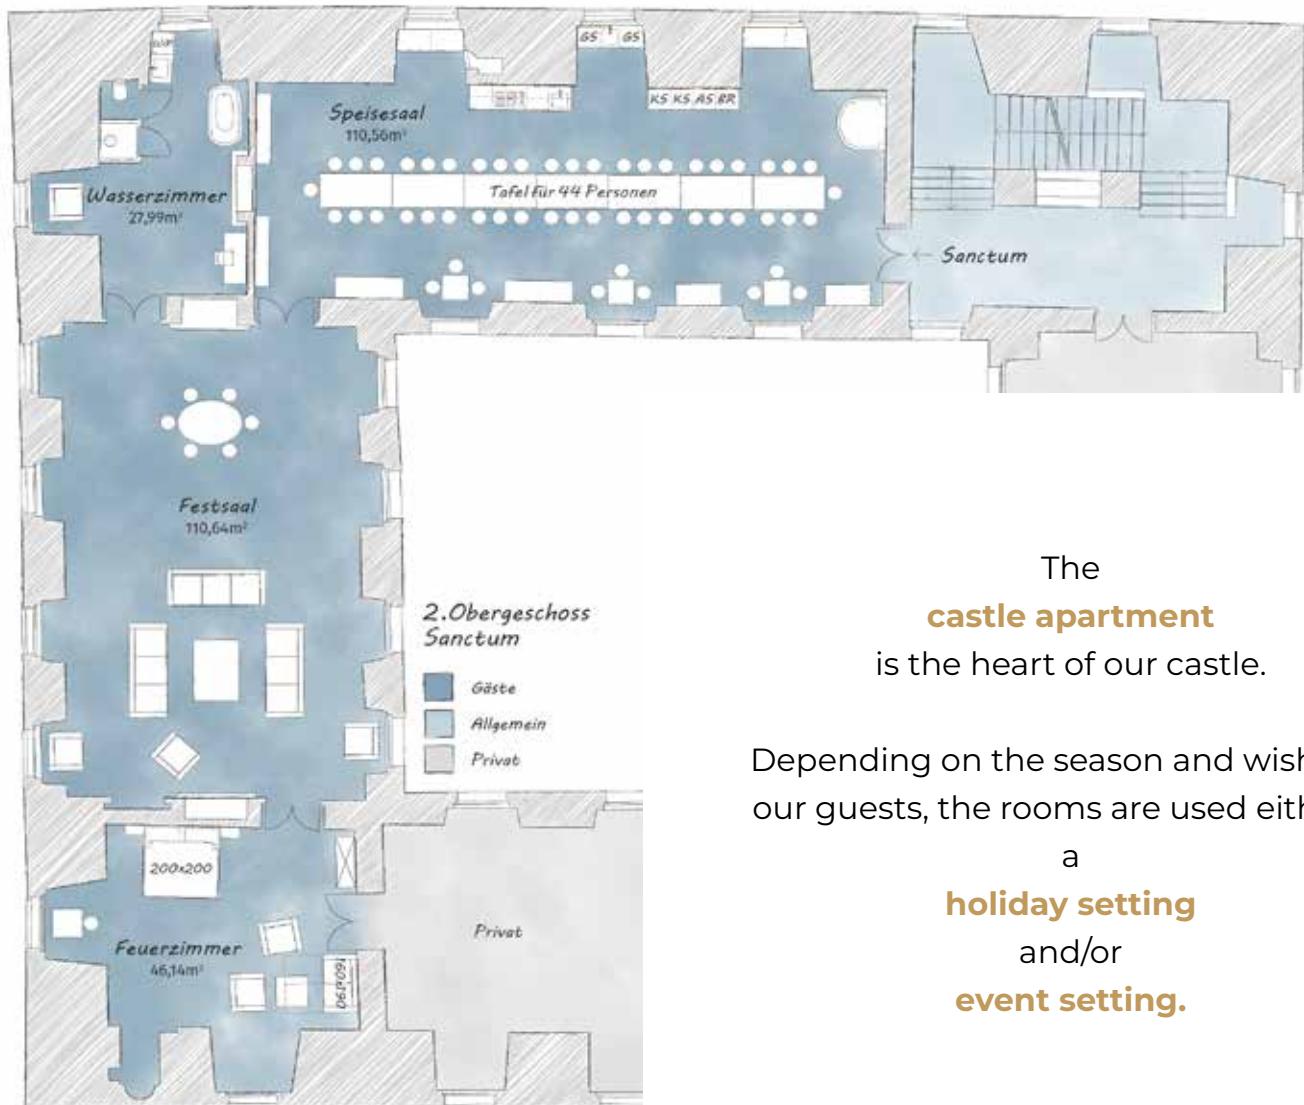

FOUNTAIN IN THE COURTYARD

Our fountain is available for a cooling bath. Enter at your own risk!

THE CASTLE APARTMENT (2ND FLOOR)

...consisting of dining hall, ball room, fire room, water room

The
castle apartment
 is the heart of our castle.

Depending on the season and wishes of
 our guests, the rooms are used either in
 a
holiday setting
 and/or
event setting.

DINING HALL

Dining since 1690

The **100 m² dining hall** is equipped with a modern kitchen including two dishwashers, a refrigerator, a 6-plate induction cooktop, and an oven, making it ideal for shared cooking experiences, such as team-building activities. As most of the kitchen appliances are concealed within built-in cabinets, the room is also perfectly suited for events.

BALL ROOM

Tempelhall of Hermes Trismegistos

In the equally **100 m² ball room**, dinners or parties are often held. In a holiday setting, it transforms into a “rough-luxe” living room with a sofa lounge and an open fireplace. “Living like the lords of the castle” takes on an entirely new meaning here.

Surrounded by 300-year-old Baroque frescoes combined with modern interior design, you will find a holiday location here that likely exists nowhere else.

FIRE ROOM

Herakles loves Omphale

The **45 m² fire room**, also adorned with frescoes, serves as a bedroom. With a double bed and a pull-out sofa, it can accommodate up to four guests. For weddings, the room is reserved for our bridal couples. Upon request, breakfast can be served in bed, and depending on the season, you may be awakened by gentle birdsong or the croaking of frogs.

WATER ROOM

Aphrodite is born from the sea foam

The bathroom of the castle apartment is the **30 m² water room**, featuring a shower, bathtub, separate toilet, and daybed.

Those who have known us for a while may have already spotted one or two photos of a bride in our bathtub – during weddings, this room is often used for getting ready.
