

PE AND SPORT PREMIUM 2025-26

The PE and Sport Premium funding was introduced by the Government in April 2013 to improve the quality and breadth of PE and sport provision in schools. The government is providing additional funding of £150 million per annum again this year to improve provision of physical education (PE) and sport in primary schools. This funding has been provided jointly by the Departments for Education, Health and Culture, Media and Sport. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this.

- Engaging all pupils in regular physical activity- the Chief Medical Officer guidelines recommend that all children should engage in at least 60 minutes of physical activity a day, 30 minutes of which should be in school.
- Raising the profile of PE and sport across the school as a tool for whole-school improvement.
- Increasing the confidence, knowledge and skills of all staff teaching PE and Sport.
- Providing a broader experience of a range of sports and activities offered to all children.
- Increase participation in competitive sport.

Planned Activity	Planned spend	Actual spend	Impact/rationale for spend & desired Outcomes Links to Primary PE & Sports Premium – Key Indicators	Monitoring /Impact
Membership of the Forest Heath Schools Sports Partnership and the School Sports Association to provide participation in a wide range of inter-schools competitions (including administration, certificates and medals), training for staff, specialist courses / taster sessions for pupils, cross curricular links.	£3,385	£825 £3,385	Increased participation opportunities in competitive sport and festivals for all years in KS1 and KS2. Broader experience of a range of sports & activities offered to all pupils. Increased participation in competitive sport. Mini medics course for year 4 pupils, give pupils the opportunity to learn about first aid. Broader experience of a range of sports & activities offered to all pupils. Increased participation in competitive sport. Year 5 pupils to take part in Playmaker award – developing their leadership skills and promoting healthy, active lifestyles across the school through running activities in social times. The engagement of all pupils in regular physical activity. Engaging all pupils in regular physical activity. Broader range of sports and activities offered throughout lessons and extra-curricular activities.	Registers and photographs kept up to date. Different children to be selected to participate to ensure as many children as possible are able to experience competitions and festivals. At some events St Christopher's took up to three teams to allow multiple children to compete and to have opportunity to take part in organised sport. Monitoring of coaching lessons and conversations with staff post CPD. The engagement across the school has been high with the school being able to enter multiple teams in events. All events are celebrated in weekly assemblies, allowing the profile of PE to be raised consistently. The school has achieved the School Games Gold Award for the fifth year.

			The profile of PE & sport is raised across the school as a tool for whole-school improvement.

To increase the participation of children in sporting opportunities across the whole school. Children have a greater engagement in sport and are inspired to take up more sports. The profile of PE & sport is raised across the school as a tool for whole-school improvement. The engagement of all pupils in regular physical activity	The cost of equipment and resources is far greater after the decision to purchase the Complete PE syllabus; further resources were required to allow effective teaching of Complete PE. The impact of this resource will not be known until further into the next academic year. Increased activities for children to participate in. Regular monitoring of equipment to ensure the appropriate equipment is available for all pupils – further monitoring of PE teaching is needed in 2026.27 Completion of the Bikeability course for 30 pupils across KS2. The school has also purchased a set of Bikeability bikes/equipment – these will allow us to continually teach Bikeability across EY and KS1.
Total planned spend		£18,810		

Impact of spending on previous years

- The school has received the Gold School Games Mark for the fourth year in a row.
- The school has continued to maintain high levels of participation at both inter school and intra school competitions.
- Pupils were prepared well for those competitions through the use of lunchtime clubs and additional coaching.
- The specialist coaching has raised physical education standards across the school.
- Sport Leaders have found confidence in leading and promoting physical activities at school.
- Balance bikes have been purchased to improve pupil's access to further opportunities.
- Children and staff being motivated to participate in physical activities.
- Many children across the school have had opportunities to attend competitions out of school.

Swimming 2025.26

Meeting National Curriculum requirements for swimming and water safety.	Percentage of pupils.
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	67%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	53%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	53%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
